His mer - cy shall al - ways en - dure; and His kind - ness nev - er fails.
He an - swered me and set me free; put your con - fi - dence in God.
But the E - ter - nal is my strength; in His name I cut them off.
He my sal - va - tion has be - come, He the chief, the cor - ner - stone.

E⁷   A   F♯m   B⁷   E⁷

Let Is - ra - el con - fess to God, "His mer - cy al - ways shall en - dure";
With the E - ter - nal on my side, why should I fear what men can do?
O - pen the gates of righ - teous - ness, where all the righ - teous en - ter in;
He by the build - ers was re - fused; He was re - ject - ed by His own.

A   B⁷   A   E   A

Let Aar - on's house - hold now re - peat, that His mer - cy nev - er fails!
Trust not in princ - es nor in man; bet - ter far to trust in God!

God is the Lord who shows us light; bless - ed be the name of God!
